BREEDING RACEHORSES IS DIFFICULT. MARES THAT AREN'T IN ESTRUS CAN BECOME VIOLENT.
K-WHAM
My 30 million yen horse!!
SO THEY USE A TEASER TO STIMULATE THE MARE INTO ESTRUS AND MAKE SURE SHE'S RECEPTIVE TO BREEDING.
IF A STUD ISN'T CAREFUL APPROACHING A MARE, HE COULD GET KICKED AND BADLY HURT.
Better luck next time, bucko.
Gee, thanks.
BUT CENTAURS AREN'T RACEHORSES. WHY DO *THEY* NEED A TEASER?
Have some coffee.
Ah... sustenance. Thank you...
CENTAURS TRADITIONALLY LET THE STRONGEST MALE TAKE THE LEAD IN BREEDING.
THEY'RE A WARRIOR RACE, AND SINCE ANTIQUITY THEY'VE ONLY FELT ALIVE DURING **BATTLE**.
THAT'S WHY ONLY THE **STRONGEST** ARE PERMITTED TO BREED. IT'S A HOLDOVER FROM THEIR ANCIENT WARRIOR DAYS.
THIS MEANS THAT MALE CENTAURS ARE MUSCLE-BOUND, VULGAR, AND SHORT-TEMPERED... NOTHING MATTERS EXCEPT **PHYSICAL STRENGTH**.

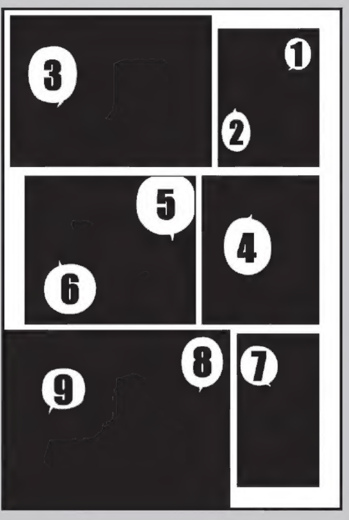
READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!



Monster MILFs

Kimihito's eyes are about to pop. The mothers of not one, not two, but three of the monster girls who live with him are coming for a visit. It doesn't help that this trio of mothers is every bit as sexy as their daughters—and just as dangerous to Kimihito's mental and physical well-being. Stuck in the middle between the mothers and their daughters, Kimihito learns more than he ever wanted to know about the mating habits of lamia, harpies, and centaurs, while repeatedly facing the possibility of an ecstatically painful death. Fur, feathers and scales are about to fly, as Kimihito's hide hangs in the balance!

Now a hit anime!
